THANK YOU!

I wanted to take a moment to personally thank each and every one of you for your incredible support of our volleyball program. Your generous contributions have made this year's fundraiser the most successful one we've ever had—raising an astounding \$18,321! This is a record for us, and it simply would not have been possible without your kindness and belief in our team.

Your support means so much more than just financial assistance. It's a testament to the strength of our community and the belief you have in our athletes. The funds raised will go a long way in providing the best possible experience for our players, including new equipment, team swag, meals, and so much more!

From all of us at Lincoln High School Volleyball, we are deeply grateful for your contribution. It's with heartfelt appreciation that I thank you for being a part of our journey and for helping us achieve this incredible milestone.

WEEK 6

The Cards kicked off the week with a Monday night match against McDaniel. Varsity started strong winning the first set 25-22. The team carried that fire into the second set, going point for point. They unfortunately ended up losing the set 32-34, along with the next two sets 25-23, 25-23. Although Varsity was unable to close out the remaining sets to bring home a W they fought the entire way through!

For Varsity-Tuesdays practice included our 7th grade teams! The older kids ran their favorite drills with the little cards and helped instruct. All athletes got to play with and against each other, creating an exciting practice.

Wednesday's parent practice was a success! Varsity parents began the night warming up with their kids before jumping into a mixed teams quads tournament. All teams competed against each other for mini-games to 7 points. We had one team that went undefeated which was led by Booster President Larry Crepeaux!

Varsity ends the week hosting the JV2 tournament here at Lincoln. The girls did a great job with their host duties and cheering on JV2!

WEEK 6

Monday, the Cards started the week strong with a sweep over the McDaniel Mountain Lions! With a setter out sick, sophomore Ella Dvortcsak stepped into a rarely practiced position to run a 6-2, and they executed it well! The Cards were hitting well off the backs of great passes and well-placed sets to control the match and win 25-14, 25-15, 15-11. Serving was also on fire, overall a 87.3% just short of the team's 90% goal, however one in three made serves resulted in an ace which allowed us to rely on our serving as an offensive threat as well - earning 18 points on aces alone in all 3 matches!

Wednesday was parent practice, which we've been excited for all year! The parent team was victorious in both scrimmages after experiencing some practice drills with the team. We finished with a game of Queens all mixed together, which was a great way to end the day!

Athletes of the week this week are Ella Dvortcsak and Kathryn Bird, both who held their own and supported the team's win over McDaniel on Monday. Ella was consistent with setting, even with short notice on the potential lineup change, and she worked hard during warmups to be ready to go when it was game time. Kathryn Bird had an outstanding day overall, working the court for kills, blocks, and great serves as well going 6/7 with 3 aces!
